Your Tenants and Residents Association

A new team looking after our area

We are delighted to announce a **new Resident Services Officer, Moji Moses** (replacing Michael Gibbs). RSOs are employed by the council to look after tenants and improve the community environment. Moji will be responsible for our area, plus the Dickens Estate. See our noticeboards for further information about Estate Services, and useful contact numbers.

Moji is on 020 7525 7815 or mojisola.moses@southwark.gov.uk

We also welcome a **new Resident Services Manager, Marie Rene**, who will be covering the whole Bermondsey area. Her email is: marienathalie.rene@southwark.gov.uk

If you have any queries about the maintenance of our area, please let Moji and Marie know.

They are keen to provide a high quality service to all residents!

TRA General Meeting – Monday 17 July 2017, at 7.30pm

You are warmly invited to our next meeting on **Monday 17 July 2017**, at the Hall, 210 Jamaica Road (corner of Southwark Park Road).

All are welcome **from 7pm** for refreshments and a chat.

There will be two main items on the agenda:

- 1) **The Resident Services team** will be attending and will be delighted to meet residents and discuss any issues they can help with.
- 2) There is **new funding** available for projects to improve our area. This is provided by Thames Water because of the Thames tunnel works at Chambers Wharf. Bids can be put in by organisations or individuals under three headings: Thames Path, play spaces, and Community Enhancement. We would like to put forward your ideas!

On-going TRA-funded activities

Ladies Keep-Fit sessions at the hall are attracting a wide range of ages. Come and enjoy some gentle exercise to tone your whole body! Every Friday, 6.30pm. Funded by the TRA. FREE of charge to all participants.

The **Community Gardening Group** led by Carol has planted nearly 100 balcony boxes on West Lane, Cherry Garden Street, Cranbourne House and Cherry Garden House. The flowers (funded by the TRA) are already beginning to brighten the area. Keep watering, everyone!
