

# Cherry Garden TRA

Your Tenants and Residents Association

This newsletter is delivered to all 375 homes in our TRA area.

Our TRA manages Cherry Garden Hall and spends the income on all sorts of good things for the community: coach outings, socials, pantomime visits, Xmas presents, donations, improvements to the environment, etc.

We welcome everyone to join our activities!

Please put names forward to: Sheila 07906 860 979, by the end of November.

### Summer 2019 activities

#### ADA SALTER BIRTHDAY EVENT – 20 July

We commemorated Ada's birthday by hosting a walk around Wilson Grove, Ada's model housing estate, followed by a series of talks on 'Ada, the Peaceful Environmentalist' and the naming of an Ada Salter Room at the hall.

Over 40 people attended, including Neil Coyle MP.

#### HYDE HALL GARDENS – 11 August

We took a coach with 47 people to visit Hyde Hall, the beautiful Royal Horticultural Society garden in Essex. The trip included lunch, time to admire the stunning flowers, trees and shrubs, and a delicious cream tea in the Thatched Barn. The 'Green Team' gardeners from Time & Talents came along too, and we hope to arrange more joint excursions in future.

#### TRIP TO THE KENT COAST – 25 August

Perfect weather for a trip to the seaside - blazing hot all day. An early departure to catch the 10.30am steam train on the historic Romney, Hythe and Dymchurch railway. Then a brief visit to the model railway exhibition and the funfair, before heading for five hours on the beautiful sandy beach at Dymchurch. A lovely end to the school holidays for 30 children and their 17 adults.
