# Activities

## Christmas presents for local pensioners

This year our TRA is funding a £50 Tesco gift card for the over-60s (one per household; limited number).

### Please put names forward to:

Sheila 07906 860 979 by the end of November.

## Free training courses to get into work

The Bermondsey Community Kitchen at The Market Place SE16 runs excellent training courses for local people, and finds jobs in catering for all their trainees. Our TRA has agreed to sponsor a trainee from our local area. Phone 07906 860 979 for details of how to apply.

We are also happy to fund other training courses (max. £1,500), which will help people get jobs.

If there is anything we could help you train for, **do let us know**.

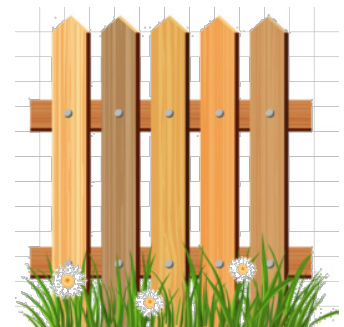

## Supporting Riverside School

Our TRA has started to support Riverside's extra-curricular activities. Next term we will be sponsoring pupils to participate in the national school choir project. ([www.youngvoices.co.uk](http://www.youngvoices.co.uk))

## Improving our estate

Some fences and gates on our estate are looking very dilapidated, and the council has no money for this. So the TRA has decided to fund replacements, starting with Cherry Garden Street courtyard.

**Please tell us** anything else that needs doing, and we can plan future improvements.

The TRA is based at Cherry Garden Hall, 210 Jamaica Road, SE16 4RT
